6. Did you feel comfortable with location tracking for the duration of the experiment?

    Mark only one oval.

	1	2	3	4	5	
Very uncomfortable	◯	◯	◯	◯	◯	Very comfortable

7. How did you feel knowing that this data was analysed?

    Mark only one oval.

	1	2	3	4	5	
Very uncomfortable	◯	◯	◯	◯	◯	Very comfortable

8. All of the data that was collected came from either the Android internal Usage Stats API, the Fused Location Provider API, or from the system knowing when a call is happening. Do you feel comfortable with the system collecting this data and making it easily accessible to applications via a simple permission request?

    Mark only one oval.

    ◯ Yes

    ◯ No

    ◯ Neither

    ◯ Other: _____

9. Do you think your behaviour may have been altered since you knew the location was being explicitly recorded?

    Mark only one oval.

    ◯ Yes

    ◯ No

    ◯ Neither

    ◯ Other: _____
